DESIGN ZONE

Open through December 31

What does it take to create a video game, line up rhythms like the best DJs, or design a roller coaster that produces the biggest thrills? In *DESIGN ZONE*, go behind the scenes and see how creative problem solvers use math to do amazing things. *DESIGN ZONE* explores mathematical concepts like patterns, variables, scale, slope, and ratios used by artists, architects, engineers, musicians, and other innovators.

DESIGN ZONE was produced and is toured by the Oregon Museum of Science and Industry. This exhibit was made possible by a National Science Foundation (NSF) grant.

Kaleideum After Dark: Oktoberfest

Friday, October 6, 6–9 pm

Experience an Oktoberfest evening at Kaleideum for **ages 21 and up!** We'll have pumpkins to carve, a contest to enter, and live music by *The Piedmont Polka Practitioners*.
