In this interactive exhibit, you can pilot a giant "submersible" from mountain stream to the ocean, learn about more than 65 aquatic species and ecosystems, and guide "water" safely through a hazardous maze! Discover how otters made a comeback and spot the polluters! Learn to be a Watershed Warrior!

**Raise the Moon**

**January 12-28**

Once there was a girl who was tied to the moon... and a boy who pulled in the tide. The girl longed to swim in the sea, and the boy longed to dance in the stars. But they knew, too, that the stars and the sea might raise a storm. This beautiful story is told through dance, poetry, and live music and is specially designed for babies and toddlers. *Raise the Moon* is "Theatre for the Very Young" and recommended for ages 0-5 and caregivers. Tickets: \$5 (does not include Museum admission, but eligible for \$1 off Museum admission day of show), \$2 for members. Visit [peppercorntheatre.org](http://peppercorntheatre.org) for showtimes and tickets.
