Kaleideum's Peppercorn Theatre presents ...

The Jungle Book

April 2-18, 2019 | Kaleideum Downtown

Peppercorn Theatre ignites a fireside retelling of this classic tale, based on the stories by Rudyard Kipling. In a tent under the stars, a group of friends conjures a storytelling experience full of the sounds and sights of the Piedmont's wildest creatures. Shere Khan, the fearsome cougar, Bagheera, the maternal bobcat, Akela, the leader of the endangered red wolf pack, and Baloo, the lumbering black bear, accompany Mowgli on an imaginative adventure into the kudzu jungle. In their backyard wilderness, they discover the importance of finding your pack and the power of friendship. Recommended for ages 4 and up.

Members: \$8 per person; non-members: \$10 per person. Museum admission not included.

Tickets at peppercorntheatre.org.

You're invited to the Animal Party Premiere on Friday, April 5, at 5:30 pm. Details inside!

Members, THANK YOU for your support of Kaleideum through your Museum membership! In addition to admission and membership revenue, Kaleideum relies on gifts to our Annual Fund in order to create the most innovative and meaningful programs and exhibits for our visitors. Planning is already underway for our *Moonstruck Summer* to celebrate the 50th anniversary of NASA's Apollo 11 Moon Landing. Be a part of our special planetarium shows, interactive learning stations, and moon-inspired storytelling, theatre, and crafts — programming that would not be possible without your support. **Please look inside this newsletter for a pledge envelope and make a tax-deductible gift today!**
