Moonstruck Summer

July 20, 2019 marks the 50th anniversary of the first humans landing on the Moon as part of NASA's Apollo 11 lunar mission. To celebrate, we're having a *Moonstruck Summer* at Kaleideum! Look for Moon-related activities at both locations through Labor Day!

Peppercorn Theatre Songs and Stories

Tuesday, June 4 and 18 • 10 am

Teaching artists share songs, stories, and activities designed for babies, toddlers, and their caregivers. Live music, hands-on props, and puppets are all a part of this activity! These classes repeat, so you and your child can learn the songs and sing at home! This summer, we are celebrating the 50th Anniversary of the Lunar Landing with songs and stories about the Moon, the stars, and adventures in space!

Moon Songs

Friday, June 7, 14, and 21 • 2 pm

The Moon is our closest celestial neighbor. Its craters and changing shape have inspired storytelling, art, and music throughout history. Join Kaleideum Teaching Artists for musical storytelling about our one and only Moon.

Summer Kick-off

Saturday, June 8 • 1:30-5 pm

Begin your day at Kaleideum Downtown with the Prop Shop Paint Party, Big Bang Boom concert (11 am), and an Animal Encounter at 12:30 pm. Hang onto your receipt and head to Kaleideum North for a Bubble Party in the park (1:30-4 pm) and a special otter program at 2 pm.

Parents' Night Out: Beneath the Moon

Ages 4-11 will have a blast with Moon-related activities, pizza, exhibit exploration, and a planetarium show.
