

Health Assessment Agreement (Fall 2020)

As we are faced with life during a pandemic, we commit to these new norms to promote wellness and protection for our community.

As a parent/student, I understand that my commitment to following these requirements promotes health, wellness and safety for our entire Kaleideum community.

My family/I commit to these health expectations:

- _____ My child/I will not be sent to Kaleideum when sick.
- _____ My child/I will be free from vomiting, diarrhea, abdominal pain and upset stomach for 48 hours before returning to Kaleideum.
- _____ My child/I will not attend Kaleideum if experiencing **uncontrolled** active allergy symptoms (including skin rashes, sneezing, sore throat, headaches, cough, runny nose, irritated or red eyes, itching, labored breathing, etc).
- _____ My child/I will be fever free without the use of fever-reducing medications (acetaminophen, ibuprofen, etc) for 24 hours before returning to Kaleideum. Fever is defined as a temperature equal to or greater than 100.4 degrees Fahrenheit (taken by any method).
- _____ My child/I will not attend Kaleideum if they/I have been in close contact with someone exhibiting COVID-like symptoms (fever, cough, shortness of breath, chills, body aches, loss of taste/smell, rash, sore throat, headache) or has had close contact with someone who has been diagnosed with COVID-19 in the last 14 days.
- _____ My child/I will not come to Kaleideum if they/I was diagnosed with COVID-19 or awaiting results of a COVID-19 test. I will contact my pediatrician for further guidance.
- _____ My child/I will not attend Kaleideum with any active skin rashes, lesions, or eruptions including bruises of unknown etiology.
- _____ My child/I will not attend Kaleideum if they/I am exhibiting extreme fatigue, persistent crying, or unusual irritability.
- _____ My child/I will not attend Kaleideum if they/I have a physician's diagnosis of strep throat until he/she has been on antibiotics and fever free without the use of fever reducing medications for 24 hours.
- _____ My child/I will not attend Kaleideum if they/I have traveled internationally. I will quarantine for 14 days after arrival in the US and will monitor for symptoms of COVID-19.

Our teachers will strictly adhere to these expectations as they provide excellent care for your child and his/her community. While these requirements are not ideal, our community depends on strict adherence to them in order to adapt to the current times. These requirements are subject to change and new requirements may be added as more information on COVID-19 and its side effects becomes available.

Faculty and staff are required to wear face coverings.

We are grateful for your partnership and diligence in these unprecedented times.
