

Fall Learning Opportunities at Kaleideum

Preschool Camp

K-5 Afternoon Enrichment Camp

K-8 Remote Learning

Kaleideum is offering three different types of Learning Opportunities this Fall!

Morning Preschool Enrichment Camp

- ◆ For ages 3-5
- ◆ 9 am-12:30 pm, Monday-Friday
- ◆ August 17-October 23.
- ◆ Kids will play games, explore the outdoors, and take part in science, art, and engineering enrichment programming to support learning and social/emotional development.
- ◆ Members \$100 per week; non-members \$120.

Afternoon Enrichment Camp

- ◆ For grades K-5
- ◆ 1:30-5:30 pm, Monday-Friday
- ◆ August 17-October 23.
- ◆ Kids will play games, explore the outdoors, and take part in science, art, and engineering enrichment programming to support learning and social/emotional development.
- ◆ Members \$110 per week; non-members \$130.

Remote Learning Support

- ◆ For grades K-8
- ◆ 8 am-6 pm, Monday-Friday
- ◆ August 17-October 23.
- ◆ Students will be in small group sizes and will work within the remote learning curricula provided by your child's school, and participate in afternoon enrichment activities.
- ◆ Members \$2,250 for 1st Quarter Session; non-members \$2,500; additional siblings \$2,100. Students can enter at any time, and amount will be pro-rated. Contact Christy Ferguson at cferguson@kaleideum.org.

Kaleideum is working hard to keep everyone safe and healthy ...

Health Procedures

- ◆ Staff are encouraged to stay home if they are feeling the least bit sick. If they have shown any COVID-19 symptoms over the last 72 hours, they are told to stay home and encouraged to get a COVID-19 test.
- ◆ All Staff enter the building, do a temperature check, and answer a series of questions through a single, specially designated entrance and Check-In Room located beside that entrance. All staff sign in each day after answering “no” to all questions and certifying that temperature is below 100.4 degrees F.
- ◆ All staff will wear a clean face mask that was washed and dried on hot settings.
- ◆ Staff will wear a face mask as they enter the building through the designated entrance.
- ◆ All staff received the Workplace Restart Initiative training and printed a Certificate of Completion.
- ◆ Staff will wipe down common touch points after use, wear a face mask and social distance throughout the day.
- ◆ If a staff person develops a fever or COVID-19 symptoms, he or she will remain isolated in the screening room until he or she can safely leave.
- ◆ Children will temperature checked as they check in and again during the day.
- ◆ Caregivers will answer a series of health questions before children check in.
- ◆ Children will stay with their small groups.
- ◆ Children will learn and practice proper hand washing techniques.
- ◆ If a child is not feeling well, a staff member re-checks the temperature, and if it is over 100.4, the child will be masked and isolated, and the caregiver will be contacted for pick up.

Sanitation Protocols

- ◆ Increased day porter services to clean floors, bathrooms, and high touch areas.
- ◆ Increased floor staff and facilities staff to achieve more frequent daily cleaning cycles for each exhibit area.
- ◆ Developed sanitation protocols for proper PPE, methodology and products.
- ◆ Talking points for floor staff about sanitation protocols.
- ◆ Deployment of specialized baskets equipped with the appropriate supplies for floor staff.
- ◆ Frequent rotation and cleaning of loose parts.
- ◆ Installation of hand sanitizer near high touch areas.
- ◆ Removal of fabric parts (puppets, stuffed animals) from areas for young children.
