

Fall/Winter Camp 2021

Kaleideum North is located at 400 West Hanes Mill Road

Drop-off Procedures:

Drop-off begins at 8:45 am outside the building. Please walk your camper to the sign-in table and practice physical distancing should you need to wait. A staff member will take your child's temperature and ask a series of health questions. *If your child's temperature is over 100.4 (per CDC recommendation) or they or someone in your household are showing signs of illness, they will not be permitted to attend camp.* A child can return to camp if they are symptom-free *without medication* after 72 hours, have a doctor's note, or a negative COVID-19 test result. A staff member will walk your child to their classroom. We thank you for your patience and understanding as drop off and pick up will require additional time.

Pick-up is 3:45-4:00 pm. Pick up will take place on the FoodWorks patio. (Signs will direct you.) Please walk to the sign-out table and practice physical distancing should you need to wait. Anyone picking up your child must be listed on their Camper Registration Form (the questions answered when camp was purchased). **Adults will be asked to show a photo ID upon pick-up.** Prompt pick-up is appreciated. If you find that you may be late, please inform us by calling: **Kaleideum cell number North- (336)528-9995**

Morning Extended Care is available beginning at 8:00 am. Afternoon Extended Care is available at from 4-5:30 pm. The cost of each session is \$5/day. Extended care can be purchased during registration or day-of.

Health Protocols:

Masks:

- **Campers are required to wear a mask indoors. They are not required to wear a mask outdoors.**
- Staff will wear masks except when eating and drinking or engaging in outdoor activities unless they are not able to maintain a safe physical distance from campers.

Safety & Sanitation Protocols

- Our top priority is the safety and well-being of our campers, guests, staff, and animals. Long before Coronavirus appeared, Kaleideum prioritized keeping the Museums clean and disinfected. We will continue to meet the highest standards of our cleaning protocol, which includes disinfecting our facilities, exhibits, and exhibit props daily with an EPA approved, hospital-grade disinfectant proven to kill COVID-19.
- Kaleideum staff follow basic hygiene practices, such as frequent handwashing and using alcohol-based sanitizers.
- Campers will learn and practice proper hand washing techniques.

- Kaleideum staff will sign a form agreeing to self-monitor for symptoms of Covid-19 and will not be permitted to work if sick.
- Campers will stay in their small groups of 16-20.
- Campers will play in the Museum before 10 am and during non-peak hours.
- *If your child becomes ill during the day and temperature is over 100.4, they will be isolated, and you will be contacted to pick them up from camp.* We will ask you to pull up to the front of the building and call the staff member who is with your child. We will walk out to your vehicle. Please do not enter the building.
- All campers are required to have a **HEALTH ASSESSMENT AGREEMENT** on file with Kaleideum in order to attend camp.

What to Bring:

Campers will need to bring two snacks, a lunch, and water bottle. Please label your child's personal items.

Camper Clothing:

Please send your child in clothing that is comfortable for indoor and outdoor, hands-on, messy activities. Close shoes with socks are preferred. **Please NO flip-flops.**

Prescription medicines:

Campers requiring prescription medicines during camp hours should provide the medication (labeled with camper first & last name) and complete prescriptions details in writing. **Kaleideum staff cannot administer medication.**

Behavior:

At Camp Kaleideum, we are a *Community of Learners*. At the start of each day—campers and educators gather together to create a list of behavior expectations for the week. Campers are encouraged to think about the way they would like to be treated, and how they will treat others. Camp staff promote positive behavior and group interaction by:

- Providing structure and giving campers clear expectations
- Providing developmentally appropriate activities that challenge campers
- Reinforcing positive behavior
- Helping campers understand what behavior is appropriate
- Redirecting campers who act inappropriately and using natural consequences

In instances when a camper is overwhelmed, overstimulated, verbally aggressive, and/or physically aggressive, they will be instructed to take a break away from the group in a public space where they feel safe and can speak quietly with a Kaleideum staff member.

Any inappropriate behavior by a camper that threatens their physical or emotional safety, or the physical or emotional safety of another camper, museum guest, or staff member will be grounds for disciplinary action, which may include counseling or removal from the camp activity. A *Camp Kaleideum Behavior Report* will be filled out to document the interaction and reviewed with the grownup. Please emphasize to your child that appropriate behavior is expected to ensure that all campers have a good time.

Cancellations:

For a full refund, you must cancel at least two weeks before the first day of the camp for which your child is registered. No refunds can be given after this date.

Inclement Weather:

Please refer to your local news media and/or Kaleideum's social media channels for closure status. In the event Kaleideum decides to close for inclement weather, a full refund for the day(s) missed will be refunded. However, if Kaleideum does not close and your family decides to not have your child attend, no refund will be provided
